

Dear Friend,

We are excited to announce that the **Second Annual Waves of Hope 5K** to benefit the **Dana-Farber Cancer Institute and the Jimmy Fund** will be held on **Sunday, September 7th at 10:00 AM at West Dennis Beach**.

Last year, the inaugural 5K rallied hundreds of community members and raised over **\$25,000** for cancer research and patient care at Dana-Farber. With your support, this year's goal is to surpass that incredible achievement and make an even greater impact in the fight against cancer.

Statistics reveal that approximately 1 in 2 men and 1 in 3 women in America will face cancer in their lifetime — a staggering fact. Sadly, many of you reading this have likely been personally affected by this devastating disease. The Waves of Hope 5K is dedicated to joining the fight against cancer, and we invite you to be a part of our mission.

Local businesses and families played a vital role in last year's event, and we hope you can continue that same tradition of generosity as we raise much-needed funds. Attached, you will find information on sponsorship levels and other ways you can contribute to this important cause.

We are also seeking donations for our silent auction, a highlight of the post-race celebration held at Chapin's Fish and Chips. Items such as gift certificates to local restaurants, themed gift baskets, tickets to sporting events, and unique experiences are especially appreciated.

On behalf of the Waves of Hope Committee, Dana-Farber, and—most importantly—the patients and families who will benefit from our efforts, we thank you for considering a donation.

To discuss sponsorship or auction item donations, please contact us at **wavesofhope5k@gmail.com**.

Thank you in advance for your support. **Together, we can—and will—make a difference.**

Sincerely,
The Waves of Hope 5K Committee

Individually, we are one drop. Together, we are an ocean.
